**GDUSA 2013** for 2013 Credit Union Directory

**GDUSA 2013** for Credit Union Strategy & Performance Publication

## PROFESSIONAL EXPERIENCE

**UI Designer, October 2017 – Present** at ParkWhiz

Currently the lead designer for the web team, creating and improving site usability. Redesigning experiences across mobile apps (both iOS & AND). Creating user interfaces for existing partnerships and design concepts for potential partnerships. Working closely with UX, research, and development teams on web and platform experiences.

**UI Designer, December 2016 – October 2017** at Walgreens

Key member of the features and functionality team for mobile and web. Used UX insight to improve existing interactions for Walgreens experiences. Worked closely with the development team in sprints to ensure design and UX quality from beginning to end of projects.

**Product Designer, June 2015 – September 2016** at Clarity Consulting

Was lead designer on several projects for a range of clients. Delivered both UX research and UI on all projects. Created and presented prototypes user flows and interactions to stakeholders and clients. Worked closely with internal and external developers. Provided assets, specs, and ongoing design support during production.

**Senior Print Designer, February 2012 – May 2015** at Callahan & Associates

Designed infographics, data visualization, wireframes, and email templates. Worked with in-house developer on site redesigns for Callahan software. Art director and sole designer for all in-house publications. Managed production process, schedules, and corresponded with printers. Established Callahan's brand, booth design, and collateral for events/exhibits. Lead and executed full marketing and branding campaigns.

**Graphic Designer, July 2010 – February 2012** at FedScoop

Designed weekly infographics, email templates, and publication transportation ads. Solidified brand styles and created additional logos for subsidiary services. Created print and web collateral for company and sponsor events. Created presentations and slideshows on Keynote and Powerpoint.

## EDUCATION

**User Experience Design, November 2014 – February 2015**  
at General Assembly

**Bachelor of Fine Arts, October 2007 – March 2011**  
at The Art Institute of Washington
